

R&C's Fixed-Price Dining Experience – you get more!

Guests have the opportunity to relax and enjoy their favorite beverage or our signature Brazilian cocktail, the **caipirinha**. Explore craft-cocktails made from fresh ingredients or select a carefully chosen bottle of wine from temperature-controlled storage or one of our by-the-glass offerings.

Then head to R&C's 40+ item gourmet appetizer area, featuring an array of roasted vegetables, imported cheeses, charcuterie, salads, soups and much more. Our meat-carvers - Gauchos - raise your all-you-can-eat experience to a new level as they roam through the restaurant offering guests choice cuts of beef, chicken, lamb, pork and sausage...all slowly roasted over open flame.

To round out your meal, assorted sides such as fried bananas with cinnamon and sugar, garlic mashed potatoes and savory cheese bread are served tableside.
